## THE STATIONS

### Station 1: What We Have Learned

The first station provides insights into what we have learned from our analysis and from previous public engagement meetings.

### Station 2: The Streetscape Plan

Presents a vision for West Main Street. Visit this station and discuss the concept shown.

### Station 3: Urban Design

Learn about solutions that will shape the development pattern and character of West Main Street. Please share any questions, concerns or ideas you may have.

If you have any other thoughts you would like to share, please feel free to write them down and leave them with us, or submit them on the website ([www.GoWestMain.com](http://www.GoWestMain.com)).
